

January 13, 2026: On Providing the the Weak Minded Losers What They Need and Require

Ronald, I will answer for you the big question that you will never be able to answer on your own. Ronald Mac-Donald the KKK-Klown: “But **I wish you could explain to me what the hell's going on with the mind of the public because we have the right policy.**”

Ronald, unfortunately for you, and your team, you are all destined to continue losing our support forever more.

Let me explain why: You say, “we have the right policy.”

First of all, half of the time you have the right policy, and the other half of the time the democrats have the right policy.

In fact, you do not have the right policy 50% of the time. The Republican Party used to be the party offiscal conservatism which mean that they controlled the ‘correct’ answers of many fiscal issues.

The Republican Party is now the party of fiscal conservatism FOR WE THE PEOPLE, while opening the firehose for everything military and miliaterily related. Therefore, **what used to be a 50% of the time correct policy has now been widdled away to 25% of the time.**

So, Ronald, in reply to the premise of your belief in why we should support you: **Your party is correct less than 25% of the time.**

That means that **the Democrats are correct on all of the social issues, and 25% of the fiscal issues** - meaning that **the Democrats are correct 75% of the time!** You and the Republicans are not even close to having the ‘right mix’ of answers for We, the People to approve of you.

Secondly, even if you were able to correct your standpoints of the fiscal and social issue previously mentioned, you would still not have our support because of the **methods by which you are carrying out your agenda to achieve those goals.**

See, Ronald, as a KKK-Klown, you have no understanding of the values that compose a modern American. We, the People, value truth, honesty, and success **within the framework of our rules, laws, values, and unstated morals.**

Since you have been in office, **you have** (literally) **bull-dozed through your opposition within any regard for the law**, the rules, the values, or the morals of the country that you were elected to represent.

Now, We, the People, can see the truth of who you are and what you have done to achieve your clown-like 'success' - **YOU CHEATED!**

Ronald Mac-Donald, America hates cheaters. **WE HATE YOU! Nobody can ever repair your reputation.** You, Ronald, ruined yourself. All that you had to do was **try your best to accomplish goals within the rules** but you broke the rules, broke your facade, and have now broken the support that once gathered along with you.

If it's true that your name is your most valuable asset,
DONALD TRUMP: YOUR NAME IS MUD.

Face it, Ronald, YOU ARE THROUGH!
(You are free from the hedge now, old man)(Move along)
